Good News for Thoughtful Readers

Public reads carefully we sell largely; -- but it's an every-day experience and cumulative in results.

Women cannot afford to miss to-day's news of Summer Dress Silks. Housekeepers must heed the facts about China Table Ware, Couches and Table Linens. Men and Boys should notice the news of good clothes.

An Important Event in Silks

W E present to your notice this morning nearly twenty-two thousand yards of pronounced and unmistakable bargains in Summer Silks. The generalship of the silk buyers has placed these remarkable offerings on our counters at figures which make

every yard worth counting as a separate value. The prices to you on the entire lot are less than the importer's usual wholesale prices. You can buy by the yard cheaper than we can usually buy by the thousand vards in foreign

They are all French and Swiss silks,—mostly from Lyons and Zurich. The patterns are all new, very rich in checks and small plaids, pretty, seasonable and desirable. There is absolutely nothing the matter with them.

Here are some suggestions of price and patterns:—
